## LAST CHRISTMAS:

We provided quality toys, food, and winter clothes essentials to 108 children from Starmount Elementary and Tuckasegee Elementary, both Title 1 schools in Charlotte.

## THIS CHRISTMAS:

Our 2023 Christmas Mall will be open to a minimum of 100 children, giving parents an opportunity to shop for 3 children per household AT NO COST TO THEM. We envision family members exchanging gifts for a joyful Christmas day! As additional resources are donated, we will open the Christmas Mall to more children, working towards our ultimate vision to serve at least 500 children.

## THE NEED:

We need a minimum of \$10,000 plus donations of gifts-in-kind. \$100 per child will provide toys, gifts, and winter clothes essentials. Most of all, it will bring relief and hope to families and children who need it most.

## WILL YOU HELP?

You can contribute in these ways:

- Corporate sponsorship
- Individual donations
- Donations of toys, gifts, and winter coats, socks, underwear, and gloves
- Volunteer
